

## Item Code Key Guide

Moenia Design's item numbers have a logical interpretation. The item numbers in the Index and Price List contain useful information that enables you to know the details about an item simply by looking at the item code:

The first two letters signify Moenia Design. This helps vendors carrying multiple lines identify our products quickly.

The combination of the third letter and four numbers is an internal manufacturing code. This helps in managing inventory.

The last three letters are a combination of the 2-letter color code and a one-letter size code. The color code is especially helpful for black and white images, photocopied images, low resolution displays or on the web. The size code tells you the size of the item and whether or not it's part of a group or kit. Please refer to the color and size charts below for more detailed information.

Examples:

MDC1911NRK – 5 Basket Display Rack

MD = Moenia Design

C1911= Manufacturing Code

NR = Color Code = Natural Rattan

K = Kit – This item contains multiple items that may be ordered separately in some cases. In this example the item is a display rack with 5 baskets. Normally they would not be sold separately but an occasion might arise where we would sell the individual components.

MDC1188DBG - Hearth Baskets (set of 3):

MD = Moenia Design

C1188 = Manufacturing Code

DB = Color Code (see below) = Dark Brown

G = Group or Set of products – This item contains multiple components can be sold separately when warranted.

Groups are generally sets of identical items in graduated sizes; they are sold as nested sets / groups to save on shipping costs.

MDA6624MCM – Pillow Cover

MD = Moenia Design

A6624= Manufacturing Code

MC = Color Code (see below) = Multi-Color. Refers to a combination of 2 or more colors.

M = This item is a Medium size.

| Color Codes   | Color*         | Notes  |
|---|----------------|--|
| DB  | Dark Brown     |  |
| LB  | Light Brown    |  |
| MC  | Multi-Color    |  |
| BK  | Black          |  |
| OR  | Orange         |  |
| RD  | Red            |  |
| GR  | Green          |  |
| BR  | Brown          |  |
| BL  | Blue           |  |
| YW  | Yellow         |  |
| PK  | Pumpkin        |  |
| RT  | Rust           |  |
| VT  | Violet         |  |
